FLORIDA'S "WINDOW TO WASHINGTON"

The State of Florida is privileged to have the country's only state embassy located in our nation's capital, Florida House on Capitol Hill. Opening its door on October 26, 1973, Florida House on Capitol Hill, a non-profit, non-partisan organization, serves the citizens of Florida, students, and dignitaries as an embassy and "Window to Washington." Just one block from the U.S. Capitol and directly across from the Supreme Court Building, the stately 1891, three-story, Victorian home warmly welcomes Floridians to an information center, reception services, exclusive cultural programs, and educational opportunities of all ages including the Florida Congressional Intern Seminar Series and the Florida House Distinguished Artists & Author series.

Designed by architect Edward Manning, The Manning Home was purchased with private donations in 1972 by Rhea Chiles, wife of then-Senator Lawton Chiles to serve as an embassy in Washington, D.C. for Florida's citizens. After extensive renovations, today's Florida House welcomes visitors with a glass of fresh Florida orange juice and showcases Florida's culture with philanthropic gifts of historic furnishings, books, and paintings.

Florida House on Capitol Hill is a 501(c) (3) non-profit organization. It is governed by a Board of Trustees representing eight regions and two councils. The Central Florida Council for Florida House meets every other month, September to May and organizes a fundraiser each March in support of Florida House. The Embassy has never received state or federal funds and relies solely on private individual and corporate donations.

MISSION STATEMENT

Florida House is our state embassy on Capitol Hill that connects, celebrates and champions Florida to the world.

Every day, the Trustees and Staff of Florida House work to ensure that Florida House lives this mission while engaging with Floridians and Floridians-at-heart!

Florida House is UNIQUE: We are proud to serve as Florida's embassy in Washington, D.C. and are the only state to have an embassy. As a non-partisan non-profit organization, we are funded solely through private donations and provide a welcoming space for all Floridians.

Florida House is ENGAGING: We work to connect Floridians to Washington, D.C. and vice versa through educational, cultural, economic, and social resources that engage students, visitors, guests, our Congressional Delegation, Floridians and Floridians-at-Heart.

Florida House is a DESTINATION: We are a place for Floridians living in and visiting our nation's capital providing a taste of home and a sense of belonging and pride.
