

A Note Regarding COVID-19 and Events

With the new guidelines from the District of Columbia allowing social and business gatherings of all sizes, Florida House is pleased to accept bookings for the remainder of 2021 and beyond. We are following all of the District's rules, and taking a page out of one of our favorite Florida companies, Walt Disney World, when setting our own guidelines. Please take a moment to review and understand these new procedures and feel free to reach out with any questions.

What to Expect from Florida House

- Florida House staff will follow all guidelines set by the CDC, including remaining masked at all times during private events. Someone from our team will also be routinely sanitizing high-touch surfaces during the event, along with assisting with traffic flow.
- Hand sanitizer will be available in prominent locations on each level.
- Florida House uses UV Technology from Violet Defense to disinfect the air and surfaces. The machine is run on a daily basis, and is 99% effective in removing harmful pathogens.
- Each renter has exclusive use of Florida House and can expect to have access to all three events spaces to allow for more distance between attendees.
- Florida House offers the flexibility for renters to leave doors or windows open to allow for better air flow.
- Staff members and interns are required to self-monitor for COVID-19 symptoms, and receive temperature checks on a daily basis. No staff member or intern is allowed to enter the facility with symptoms or a fever.

What We Expect from You

- Event guests are required to wear masks indoors unless actively eating or drinking.
 - Florida House offers a limited number of paper masks, available for guests who do not bring their own.
- Event guests are not required to wear masks outdoors, but must ensure they maintain proper social distancing (6ft) from others not in their household.
- Renters must maintain a list of attendees, with contact information, that can be utilized if contact tracing must occur.
- Renters must communicate to attendees that they must stay home if they are feeling unwell or have recently been exposed to COVID-19.
- Renters should encourage attendees to maintain social distance (6ft) from attendees not in their household.
- Renters are responsible for ensuring attendees follow all of the required guidelines.
- Renters must agree to hold Florida House harmless should an attendee be exposed to the COVID-19 virus at Florida House.
